Independent Auditor's Report

To the Board of Directors

Downtown San Diego Partnership

We have audited the accompanying financial statements of Downtown San Diego Partnership (the "Partnership"), which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Downtown San Diego Partnership as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements June 30, 2014 and 2013

Note 1 - Organization and summary of significant accounting policies Nature of organization

Downtown San Diego Partnership (the "Partnership"), a not-for-profit California corporation, was formed in 1993 with the merger of two prominent business associations: San Diegans, Inc. and the Central City Association. Today, the Partnership has approximately 250 members and has emerged as the leading advocate for economic growth and revitalization of downtown San Diego.

The Partnership works closely with regional business organizations and the City of San Diego (the "City") to improve the business climate for downtown San Diego and to help shape policies on issues affecting downtown. Its mission is the advancement of downtown as the economic, cultural and governmental center of the San Diego region through leadership, advocacy and education.

Financial statement presentation

The Partnership reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. Unrestricted net assets represent expendable funds available for operations, which are not otherwise limited by donor restrictions. Contributions received with donor-imposed restrictions that are satisfied within the same reporting period are reported as unrestricted support in that period. Temporarily restricted net assets consist of contributed funds subject to specific donor-imposed restrictions contingent upon specific performance of a future event, or a specific passage of time before the Partnership may spend the funds. Permanently restricted net assets are subject to irrevocable donor restrictions requiring that the assets be maintained in perpetuity, usually for generating investment income to fund current operations. At June 30, 2014 and 2013, the Partnership did not have any temporarily restricted or permanently restricted net assets.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentrations of credit risk

Financial instruments that potentially subject the Partnership to concentrations of credit risk consist principally of cash and cash equivalents and accounts receivable. The Partnership maintains its cash accounts in several high-quality financial institutions. At June 30, 2014, the Partnership had approximately \$326,000 in cash and cash equivalents which exceeded Federally insured limits.

The Partnership received approximately 76% of its total revenue from the City for the years ended June 30, 2014 and 2013. At June 30, 2014 and 2013, 96% and 98%, respectively, of the accounts receivable balance was due from the City.

Notes to Financial Statements June 30, 2014 and 2013

Cash and cash equivalents

The Partnership considers all highly-liquid investments with an original maturity date of three months or less when acquired to be cash equivalents.

Accounts receivable and allowance for doubtful accounts

Accounts receivable consist of amounts billed and unbilled for services provided through the end of the fiscal year. An allowance for estimated uncollectible accounts is based on past experience and on an analysis of current accounts receivable balances. Accounts deemed uncollectible are written off in the year deemed uncollectible.

Equipment and leasehold improvements

Equipment and leasehold improvements are stated at cost, if purchased, or fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the remaining life of the lease or useful life of the asset, whichever is shorter. The Partnership capitalizes assets which cost or have a donated value of \$1,000 or more.

Estimated useful lives, by major classification, are as follows:

Vehicles 4-5 years
Furniture and equipment 5-7 years
Computer equipment 5 years

Leasehold improvements Shorter of useful life or term of lease

Impairment of long-lived assets

The Partnership evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the estimated future cash flows (undiscounted and without interest charges) from the use of an asset are less than the carrying value, a write-down will be recorded to reduce the related asset to its estimated fair value. To date, no such write-downs have occurred.

Revenue recognition

The City (Property and Business Improvement District ("PBID") Assessments) and other sources of revenue

Revenue from City reimbursements is recognized monthly in the period in which contracted and operating expenses are recognized, including the maintenance and repair of one public water feature.

Membership dues and renewals

Revenue from memberships is recognized using the straight-line method over the term of the membership. The unearned portion of membership revenue is reported as deferred revenue.

Notes to Financial Statements June 30, 2014 and 2013

Transit pass program

Revenue from transit pass sales is recognized when the passes are picked up or shipped to the customer. Revenue is recorded net of any discounts or returns.

Contributed services and materials

Contributed services are recognized as contributions if the services (a) create or enhance non-financial assets, or (b) require specialized skills, are performed by people with those skills and would otherwise be purchased. Volunteers also provide services throughout the year that are not recognized as contributions in the financial statements since the required recognition criteria were not met. Contributed materials and other assets are recorded as contributions at their estimated fair values at the date of receipt. No such contributions were received for the years ended June 30, 2014 and 2013.

Functional allocation of expense

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income taxes

The Partnership, a California nonprofit corporation, is exempt from Federal and state income taxes under Section 501(c)(6) of the Internal Revenue Code and Section 23701(e) of the California Code.

Income tax benefits and/or liabilities are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Partnership has analyzed the tax positions taken in its filings with the Internal Revenue Service and the California Franchise Tax Board. The Partnership believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Partnership's financial condition, results of operations or cash flows. Accordingly, the Partnership has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at June 30, 2014 or 2013.

The Partnership's U.S. Federal and state income tax returns prior to fiscal years 2011 and 2010, respectively, are closed. Management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

Reclassifications

Certain amounts in the 2013 financial statements have been reclassified to conform to the 2014 presentation.

Subsequent events

Subsequent events have been evaluated through October ___, 2014, which is the date the financial statements were available to be issued.

Notes to Financial Statements June 30, 2014 and 2013

Note 2 - Accounts receivable

At June 30, 2014 and 2013, accounts receivable consists of:

	2014	2013
City	\$ 851,984	\$ 1,029,735
Other	40,285	29,431
	892,269	1,059,166
Less allowance for doubtful accounts	2,060	1,123
	\$ 890,209	\$ 1,058,043

Note 3 - Equipment and leasehold improvements

At June 30, 2014 and 2013, equipment and leasehold improvements consists of:

	2014			2013		
Vehicles	\$	343,174		\$	315,866	
Furniture and equipment		406,598			374,546	
Computer equipment	,	70,641			40,155	
Leasehold improvements		21,050			21,050	
		841,463			751,617	
Less accumulated depreciation and amortization		649,769			589,031	
	\$	191,694		\$	162,586	

Depreciation and amortization expense was \$60,738 and \$47,677 for the years ended June 30, 2014 and 2013, respectively.

Note 4 - PBID contract

The Partnership has a ten-year agreement with the City to run the PBID program through June 30, 2015. In connection therewith, the Partnership received an \$817,000 non-interest bearing advance from the City. This advance must be repaid by June 30, 2015, the end of the current contractual period. The Partnership is in the final stages of negotiating an extension of the PBID program for another ten-year period.

Notes to Financial Statements June 30, 2014 and 2013

Note 5 - Commitments and contingencies Operating leases

The Partnership leases its office facilities under non-cancelable operating leases. These leases expire in fiscal year 2015. The minimum annual rentals under these leases are being charged to expense on a straight-line basis over the lease terms. Deferred rent as of June 30, 2014 and 2013 was \$14,580 and \$19,844, respectively. The Partnership entered into a new lease on July 1, 2010 which includes \$15,160 of tenant incentives, which are being amortized over the life of the lease.

Future minimum lease commitment under these agreements for the year subsequent to June 30, 2014 is \$167,685.

Total rent expense for the years ended June 30, 2014 and 2013 was \$182,949 and \$190,017, respectively.

Grants and contracts

The Partnership has \$9,000 of grants and \$5,486,103 of contracts with government agencies which are subject to audit for the year ended June 30, 2014. As of June 30, 2014, no such audits have been performed. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined. The Partnership believes that any liability which may result from these audits would not be material.

Independent Auditor's Report on Supplementary Information

To the Board of Directors

Downtown San Diego Partnership

Our report on our audits of the basic financial statements of Downtown San Diego Partnership appears on pages 2-3. Those audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 13 through 17 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with the auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The supplementary information on page 18, which is the responsibility of management, is of a nonaccounting nature and the supplementary information on page 19 which is marked "unaudited" has not been subjected to the auditing procedures applied in the audit of the 2014 financial statements. Accordingly, we do not express an opinion or provide any assurance on it.

To Whom It May Concern:

The Downtown San Diego Partnership Clean and Safe is in compliance with all the City of San Diego requirements, such as general requirements, compensation, and reimbursement, record keeping and insurance as set forth in the agreements between the City of San Diego and Downtown San Diego Partnership Clean and Safe Program.

Respectfully,

Bahija Hamraz

Executive Director
