- Removed **90,726** stickers from light posts and other sidewalk features.
- **53,280** mop details conducted.
- Emptied curbside trash receptacles **107,859** times.
- **46,420** pounds of dry ice used to remove chewing gum from sidewalks.
- **80,290** weeds pulled from sidewalks.
- **325,335** tree grates cleaned.
- The Clean and Safe program is committed to keeping Downtown San Diego pristine and enjoyable for all.

LANDSCAPING TEAM

After extensive community outreach, it was clear that Downtown property owners wanted more from the Clean & Safe program—they wanted the team to step up to make Downtown more beautiful as well. Over the last year, Clean & Safe has instituted a number of beautification efforts including:

- Hanging baskets and corner planters in Cortez Hill
- Corner planters in Marina District
- Corner planters in Columbia District

All of the beautification efforts are mindful of California's ongoing drought and are designed to meet the requests of the individual neighborhoods.
