

Postponed: Fed & Educated

In accordance with directive from the [State of California](#) and information released on March 12, 2020 by the [County of San Diego](#), all Downtown San Diego Partnership events and meetings for the month of March will either be postponed or conducted digitally. This includes Fed & Educated, scheduled for March 17th, which has been postponed to a later date.

Rescheduling the Fed & Educated workshop will enable us to provide the experience and value that our attendees expect and deserve in a safe environment. We remain excited to launch this program and will get back to you with more information on specific dates in the coming weeks. Online registrations will be canceled and refunds will be issued to individuals who registered as nonmembers.

You will be able to find additional guidance for this and other DSDP events [here](#). Please take a moment to let us know if you have any questions. Your voice matters and we care about your feedback.

We look forward to hosting you at a later date. Until then, stay safe and healthy!

Best,
Taylor
