

## COMMUNITY VIRTUAL MIXER

# DOWNTOWN COMMUNITY VIRTUAL MIXER

FEB. 03, 2022 | 10 - 11am

Join us to find out more about the services available for  
Downtown businesses and residents.

Join us for a virtual edition of our annual Community Mixer to meet the team that brings our Downtown Partnership Clean & Safe services to life. The event is an opportunity for the community to provide additional feedback to help us plan for the future of your specific Downtown neighborhood.

The virtual mixer will include a brief introduction from the Executive Director of the Downtown Partnership Clean & Safe program, Alonso Vivas, and breakout sessions with our in-house experts that manage the program's maintenance, safety, homeless outreach, and placemaking services. We look forward to seeing you there!
