The Downtown San Diego Partnership ("DSDP") requires that all contractors be fully vaccinated against COVID-19 (as defined below) as a condition of providing services indoors within DSDP facilities and/or in physical proximity to DSDP employees. You are therefore required to provide proof that you are fully vaccinated against COVID-19 on or before April 1, 2022, or by your first day of performing such services, whichever is earlier.

If you decline to provide information about your vaccination status, DSDP will be required to assume you are unvaccinated, and therefore you will not be permitted to provide services indoors within DSDP facilities and/or in physical proximity to DSDP employees. As a result, your ability to perform services pursuant to your contract with DSDP may be limited and DSDP retains the right, in its sole discretion, to terminate such contract. If you believe you need an exemption to this vaccination requirement, please bring the matter forward to Human Resources, which will evaluate your request consistent with applicable law.

Please note that you are required to provide accurate information about your vaccination status in response to the questions below. For purposes of this certification, you are considered "fully vaccinated" 14 days after receiving the second dose of a two-dose COVID-19 vaccine (e.g., Pfizer or Moderna) or two weeks after receiving a single dose of a one-dose vaccine (e.g., Johnson & Johnson/Janssen).

**CONTRACTOR DISCLOSURE AND ACKNOWLEDGMENT**

Please select the statement below that accurately describes your vaccination status:

- [ ] I am fully vaccinated.
- [ ] I am not fully vaccinated.
- [ ] I decline to answer whether I have been fully vaccinated.

I hereby affirm that I have accurately and truthfully answered the question above. I also understand that if I stated that I am fully vaccinated, DSDP may request documentation of my vaccination status (e.g., a copy of my vaccine card or other similar official document confirming my vaccination status) to verify the same.
