Failure to timely submit to City any report, financial statement, audit or other matter required to be submitted by Manager to City may also result in termination by the City. Nothing in this Section 5.3 shall waive or prevent City from exercising any or all other rights or remedies that may be available to City under this Agreement, at law or in equity for an Event of Default resulting from Manager failing to timely submit to City any item required to be submitted by Manager to City under Section 9.

5.4. Assessment Expenditure. Assessments may only be expended on Activities and in amounts authorized in the Budget for the applicable Fiscal Year. Any expenditure inconsistent with the Budget, or not supported with proper documentation, as described in **EXHIBIT E** attached to this Agreement, shall be considered an ineligible expenditure. Nothing in this Section 5.4 shall waive or prevent City from exercising any or all other rights or remedies that may be available to City under this Agreement, at law or in equity for an Event of Default resulting from Manager making an ineligible expenditure of Assessments.

5.5. Unexpended Assessments. Manager will use best efforts to fully expend budgeted Assessments by the end of the Fiscal Year. If Manager is holding any unexpended Assessments at

the end of a Fiscal Year, Manager shall program such Assessments for expenditure on Activities authorized in the Budget for the immediately following Fiscal Year, subject to City Council approval of the Budget for the immediately following Fiscal Year and extension of the Term to cover such Fiscal Year.

The City Representative may approve reasonable adjustments (where the sum of the expenditure category adjustments does not exceed 20% of the overall Budget or where the adjustments are 20% or less of the affected line item that is being reduced). Manager shall not expend any additional funds in any affected cost category or line item unless and until Manager receives prior written approval of the adjustments from the City Representative. 6.1. Management Grant. City may annually advance “Small Business Enhancement Program” (“**SBEP**”) funds to Manager, in an amount determined by the City Representative, for general overhead expenses of managing the District (“**Management Grant**”). The amount of the annual Management Grant to be provided to Manager will be determined through a calculation annually performed by the City Representative, in the City Representative’s sole and absolute discretion, based on the number of businesses in the District registered with the City Treasurer for a City business tax certificate. Management Grant funds are typically disbursed to Manager during the first calendar quarter of the applicable Fiscal Year.

6.2. Bookkeeping Grant. Additionally, City may annually reimburse a maximum of \$3,000 of SBEP funds to Manager to pay expenses of accounting services and staffing for preparing and maintaining accounting records, submitting documentation required by this Agreement, and administering payroll and related taxes and benefits related to District management each Fiscal Year.

Reimbursement for any such City fees is provided from a fixed pool (the total amount of the pool being determined in the City Representative’s sole and absolute discretion) of SBEP funds held by City, with a maximum annual reimbursement amount available to Manager determined in the City Representative’s sole and absolute discretion, not to exceed \$20,000. 7. **OTHER REVENUE**. If Manager collects any funds other than Assessments ("**Other Revenue**"), such Other Revenue shall not be subject to the provisions in this Agreement, unless Manager uses or obligates Assessments towards: (a) any portion of the proposed activity or improvement to which Manager proposes the expenditure of Other Revenue; or (b) any Manager staff time or resources paid for with Assessments or SBEP grant funds (in whole or in part) are used for the proposed activity or improvement to which Manager proposes the expenditure of Other Revenue, including facilitating committee or Board of Directors discussions, implementing the proposed activity or improvement, soliciting goods or services necessary for implementation of the proposed activity or improvement, or accounting or reporting on the proposed activity or improvement. Notwithstanding the immediately preceding sentence, Manager's expenditure of Assessments or SBEP grant funds for generating reports about collection or expenditure of Other Revenue in accordance with the requirements of this Agreement shall not, by itself, subject such Other Revenue to the provisions of this Agreement.

8. **INSURANCE**. Prior to the Effective Date, Manager shall obtain all insurance coverage required in **EXHIBIT B** attached to this Agreement and deliver to City written certificates or policies of insurance evidencing such insurance coverage. Manager shall not perform any Activities, unless and until evidence of all insurance coverage required to be carried by Manager under this Section 8 has been submitted to and approved by the City Representative. 9.5. Adverse Audit Findings. If any type of audit or monitoring review reveals any pattern of suspicious or questionable financial activity by Manager, City, in its sole and absolute discretion, shall have the right to immediately suspend this Agreement, in whole or in part, to further investigate such matter or pursue any other rights or remedies for such Default available to City under this Agreement, at law or in equity.

9.6. Cooperation. Manager shall fully cooperate with City and any other auditors in any review or investigation of Manager's conduct or action(s) relating to this Agreement or money received under this Agreement. Failure by Manager to so cooperate shall constitute an Event of Default by Manager. Manager's failure to provide required financial statements, audits or other information, notwithstanding expiration of the Term or other termination of this Agreement, shall be an Event of Default by Manager.

10. **RECORDS.**

10.1. Ownership of Records. Manager shall own and retain all Records. Manager shall require that each Subcontractor retain all Records. No Records shall be shown to any other public or private Person, except as authorized by City in writing, or where such Records are subject to disclosure under the California Public Records Act or other Law, as determined by the City Attorney.

10.2. Maintenance, Inspection and Photocopying. Manager and Subcontractors shall maintain all Records during the Term and the Retention Period (defined in Section 10.3). All Records shall be kept at Manager's regular place of business in the City of San Diego. At any time

during normal business hours and as often as requested, Manager and all Subcontractors shall make available to the City or any of City's authorized representatives, at a reasonable location within the City of San Diego, all Records for the purposes of review, auditing and copying. If Manager is unable to make any Records available for inspection within the City, then Manager shall pay all of City's travel-related costs to inspect and photocopy the Records at the location where the Records are maintained. The Manager shall pay for the costs of any audit performed by or at the direction of the City.

Manager shall not employ, award any contract to, engage the services of, or pay any Subcontractor during any period of Federal, State, or City debarment, suspension, or ineligibility of the Subcontractor, when Manager has notice of such debarment, suspension, or ineligibility.

13. **EVENT OF DEFAULT REMEDIES.** Notwithstanding any provision of this Agreement to the contrary, if an Event of Default by Manager occurs, City may exercise any or all of the following remedies: (a) immediately terminating this Agreement; (b) deeming Manager ineligible from consideration for any future funding from City; (c) any other remedy specified in this Agreement; or (d) any remedy available at law or in equity. The rights and remedies of City under this Agreement are cumulative and exercise of any one or more of such rights or remedies shall not limit, waive, or prevent City's exercise of any other rights or remedies under this Agreement, at law or in equity, existing as of the Effective Date or later enacted or established, that may be available to City against Manager. In addition to any and all other rights or remedies under this Agreement, at law, or in equity that may be available to City on the occurrence of a Default or an Event of Default by Manager, if Manager is in Default of this Agreement, City may take one or more of the following actions by Notice to Manager: (i) suspending one or more Assessment

14.3.2. *Termination Authorized*. Manager violates any term or condition of this Agreement for which immediate termination is authorized;

14.3.3. *Performance Impairment*. Any of the Manager Parties becomes subject to any court action or proceeding that may materially and adversely affects Manager's performance of, or ability to perform, its obligations under this Agreement;

14.3.5. *District Disestablishment*. City elects, in City's sole and absolute discretion, to disestablish the District; or

14.4. Effect of Termination. Termination of this Agreement shall terminate the rights and obligations of the Parties under this Agreement, and any Person claiming any rights by or through a Party, except the Parties' rights or obligations expressly surviving termination of this Agreement; provided, however, any termination of this Agreement under either Section 14.2 or Section 14.3 shall not terminate City's rights under this Agreement to pursue any right or remedy relating to Manager's Event(s) of Default existing at the time of termination of this Agreement upon or as a result of such termination.

15. **MANAGER RESPONSIBILITIES ON EXPIRATION OR TERMINATION OF THIS AGREEMENT.** If this Agreement expires or is terminated, Manager shall complete any and all additional work necessary for the orderly filing of documents and closing of Manager's performance of its obligations under this Agreement, including delivering to City on or before the expiration or termination date of this Agreement: (a) Records, work product, leases, and agreements prepared or completed in connection with, or related to, Manager's performance under this Agreement; (b) all Assessments, accounts receivable attributable to the use of Assessments, vehicles, equipment, SBEP grant funds, and any other assets of the District; and (c) the final Annual Performance Report covering the last Fiscal Year during the Term or applicable portion of such Fiscal Year.

16. **INFORMAL DISPUTE RESOLUTION.** If the Parties have any dispute about their respective rights, obligations, or duties under this Agreement, or the meaning or interpretation of any provision of this Agreement, they shall first attempt to resolve such dispute by informal discussion among their respective representatives. Within five (5) calendar days after determining the existence of any such dispute, the Party determining there is such a dispute shall give Notice to the other Party of the existence of the dispute and the need to meet informally to resolve such dispute. The Parties shall endeavor, thereafter, to meet within five (5) calendar days after the delivery of such Notice, or at such other time as is reasonable under the circumstances.

17. **MANDATORY ASSISTANCE.** If a Third Person dispute or litigation, or both, to which City is or becomes a party, arises out of, or relates in any way to, this Agreement and Manager is not required to Indemnify City under Section 18 for all aspects of such dispute or litigation, upon City's Notice to Manager requesting such assistance, Manager Parties shall fully assist City in resolving the dispute or litigation. Manager Parties' assistance to City, referred to in this Agreement as "**Mandatory Assistance**," includes providing professional consultations, attending mediations, arbitrations, depositions, trials, or any event related to the dispute or litigation. In providing City with Mandatory Assistance, if the Manager Parties incur reasonable costs, City will reimburse Manager for such costs. However, if it is determined through resolution of the Third Person dispute or litigation, or both, that such Third Person dispute or litigation was attributable, in whole or in part, to one or more acts or omissions of one or more of the Manager Parties, Manager shall fully reimburse City for all amounts paid to Manager or any Manager Parties in reimbursement of costs incurred in providing Mandatory Assistance and shall Indemnify City under Section 18 for the Third Person dispute or litigation. Any Legal Costs the Manager Parties may incur as a result of providing Mandatory Assistance are not reimbursable by City under this Agreement.

18. **INDEMNITY AGREEMENT.** Manager shall Indemnify the City Parties against any and all Claims arising from, connected with, caused, or claimed to be caused, by this Agreement, City disbursement of Assessments or SBEP grant funds to Manager under this Agreement, Manager expenditure of such funds, Manager accounting for receipt or expenditure of such funds, or by one or more acts or omissions of the Manager Parties in performing this Agreement, and all expenses of investigating and defending against any and all such Claims, including Legal Costs. However, Manager's duty to Indemnify the City Parties shall not include any Claim arising from the established sole negligence or willful misconduct of the City Parties. City may, in its sole and absolute discretion, conduct its own defense, or participate in its own defense, of any Claim subject to this Section 18. If City elects to conduct its own defense, participate in its own defense, or obtain

independent legal counsel in defense of any Claim subject to this Section 18, Manager shall pay City for all Legal Costs related to such defense. Manager shall pay City any and all costs, including Legal Costs, City incurs enforcing the provisions of this Section 18. The provisions of this Section 18 are not limited by the insurance requirements of Section 8.

19. **NOTICE.** In all cases where Notice is required under this Agreement, service of such Notice shall be effective on the date transmitted by e-mail, on the third Business Day after the Notice is deposited with the United States Postal Service for first-class mail delivery, or on the first Business Day after deposit with a nationally recognized overnight delivery service for next Business Day delivery, in each of the latter two cases, with postage or delivery costs paid and addressed to City or Manager as specified in **EXHIBIT A** attached to this Agreement. City or Manager may change its Notice address by Notice delivered in accordance with this Section 19. Notice delivered by personal service shall be effective on delivery. Any attorney representing a Party may give Notice on behalf of that Party.

20. **NO TRANSFER.** Because this Agreement is entered into by City in reliance upon Manager's qualifications, experience, and personnel, Manager shall not Transfer or subcontract any of its rights, obligations, or duties under this Agreement, without the prior written consent of City, which may be given, withheld or conditioned in City's sole and absolute discretion. Any asserted Transfer or subcontract of Manager's rights, obligations, or duties under this Agreement without City's prior written consent shall not create a contractual relationship between City and any asserted transferee or Subcontractor, and any such Transfer or subcontract shall be ineffective, null and void.

21. **CONFIDENTIALITY OF INFORMATION.** All information provided by City to Manager in connection with this Agreement, the District, Assessments, Activities, or SBEP grants is for the sole use of Manager in performing Manager's obligations under this Agreement. Manager shall not release any of this information to any Third Person, without the prior written consent of City, except information that: (a) was publicly known, or otherwise known to Manager, at the time the information was provided to Manager by City; (b) subsequently becomes publicly known, through no act or omission of Manager; (c) becomes known to Manager from a source or means other than City; or (d) is considered a "public record," under the California Public Records Act (California Government Code sections 6250 – 6276.48), and not exempt from disclosure, as determined by the City Attorney.

22. **INTELLECTUAL PROPERTY.**

22.1. **Rights in Data.** If, in connection with the services performed under this Agreement, Manager or its employees, agents, or subcontractors, create artwork, audio recordings, blueprints, designs, diagrams, documentation, photographs, plans, reports, software, source code, specifications, surveys, system designs, video recordings, or any other original works of authorship, whether written or readable by machine (Deliverable Materials), all rights of Manager or its subcontractors in the Deliverable Materials, including, but not limited to publication, and registration of copyrights, and trademarks in the Deliverable Materials, are the sole property of City. Manager, including its employees, agents, and subcontractors, may not use any Deliverable Material for purposes unrelated to Manager's work on behalf of the City without prior written consent of City. Manager may not publish or

**EXHIBIT B
TO
CITY OF SAN DIEGO
BUSINESS IMPROVEMENT DISTRICT MANAGEMENT AGREEMENT
FISCAL YEAR 2024**

INSURANCE REQUIREMENTS

1. **General Requirements.** Manager shall not begin any performance under this Agreement until Manager has: (1) provided City insurance certificates and endorsements evidencing all insurance policies and endorsements described in this **EXHIBIT B**; (2) obtained City approval of each insurance company or companies issuing such insurance policies or endorsements; and (3) confirmed that all insurance policies contain the special provisions described in this **EXHIBIT B**. Manager's liabilities, including its indemnity obligations under this Agreement, shall not be limited in any way to the insurance coverage described in this **EXHIBIT B**. Maintenance of the insurance coverage described in this **EXHIBIT B** is a material term of this Agreement and Manager's failure to maintain or renew any such insurance coverage or to provide evidence of renewal or replacement of any such insurance coverage during the Term is an Event of Default by Manager.

2. **Specific Insurance.** Manager shall procure and maintain for the duration of the Term insurance against Claims for injuries to Persons or damages to property that may arise from or in connection with Manager's performance under this Agreement and performance by any Manager Parties. Manager shall provide, at a minimum, the following insurance coverage:

2.1. **Commercial General Liability.** Insurance Services Office Form CG 00 01 covering commercial general liability on an "occurrence" basis, including products and completed operations, property damage, bodily injury, and personal and advertising injury, with liability limits no less than \$1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this Agreement (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the amount of the required occurrence limit.

2.2. **Commercial Automobile Liability.** Insurance Services Office Form Number CA 0001 covering Code 1 (any auto) or, if Manager has no owned autos, Code 8 (hired) and Code 9 (non-owned), with a liability limit no less than \$1,000,000 per accident for bodily injury and property damage.

2.3. **Workers' Compensation.** Workers' Compensation Insurance as required by the State, with statutory liability limits, and Employer's Liability Insurance with a liability limit of no less than \$1,000,000 per accident for bodily injury or disease.

2.4. **Other Insurance Provisions.** The insurance policies required by this Agreement are to contain, or be endorsed to contain, the following provisions:

2.4.1. *Additional Insured Status.* City, its officers, officials, employees, and agents are to be covered as additional insured on the required Commercial General Liability insurance policy with respect to liability arising out of work or operations performed by or on behalf of Manager, including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Manager's Commercial General Liability insurance policy (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37, if a later edition is used).

2.4.2. *Primary Coverage.* For any Claims related to this Agreement, Manager's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects City, its officers, officials, employees, and agents. Any insurance or self-insurance maintained by City, its officers, officials, employees, or agents shall be excess of Manager's insurance and shall not contribute with it.

2.4.3. *Notice of Cancellation.* Each insurance policy shall provide that coverage shall not be canceled, except after thirty (30) calendar days' Notice of cancellation to City.

2.4.4. *Waiver of Subrogation.* Manager grants to City a waiver of any right to subrogation that any insurer of Manager may acquire against City by virtue of the payment of any loss under any insurance policy. Manager agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this waiver applies regardless of whether or not Manager obtains such a waiver of subrogation endorsement from the insurer.

2.5. Deductibles/Self Insured Retentions. All deductibles under any insurance policy shall be the sole responsibility of Manager and shall be disclosed to City at the time the evidence of the insurance coverage is provided to City. Each insurance policy with a self-insured retention shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

2.6. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A-VI, unless otherwise approved in writing by City. City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance issued by non-admitted carriers are subject to all of the requirements of this Agreement applicable to insurance policies issued by admitted carriers.

2.7. Verification of Coverage. Manager shall furnish City with original certificates and amendatory endorsements or copies of all applicable insurance policy language effecting insurance coverage described in this **EXHIBIT B**. All insurance certificates and endorsements are to be received and approved by City before any performance commences under this Agreement. coverage. City reserves the right to require complete, certified copies of all insurance policies, including endorsements, described in this **EXHIBIT B**, at any time.

2.8. Special Risks or Circumstances. City reserves the right to modify the insurance requirements of this Agreement, including liability limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Manager shall not discriminate against any employee or applicant for employment on any basis prohibited by law. Manager shall provide equal opportunity in all employment practices. Manager shall provide equal opportunity for subcontractors to participate in subcontracting opportunities. Manager agrees and understands that violation of this **EXHIBIT C**, Section 2, shall be considered a material breach of this Agreement and may result in termination of this Agreement, debarment or other sanctions. Within sixty (60) calendar days after Notice from City requesting such information, Manager shall provide City a truthful and complete list of the names of all subcontractors, vendors, and suppliers that Manager has used in the past five years on any of its contracts that were undertaken within the County, including the total dollar amount paid by Manager for each subcontract or supply contract. Manager shall fully cooperate in any investigation conducted by City, under City's Nondiscrimination in Contracting Ordinance, referenced above in this **EXHIBIT C**, Section 2.

3. **LOCAL BUSINESS AND EMPLOYMENT.** Manager acknowledges that City seeks to promote employment and business opportunities for local residents and firms on all City contracts. Subcontractors hired by Manager after the Effective Date must fill out and file a living wage certification with the City Manager within thirty

City shall have no obligation to pay or reimburse Contractor for services provided under this Agreement if such services relate to any contract awarded or financial obligation entered in violation of any State or City conflict of interest law. If a perceived or actual financial or economic interest of any Manager Party exists and the City Representative has not been notified, or it is later determined that there has been a violation of any federal, State or City conflict of interest law, City shall have the right to stop or reduce Assessment disbursements in connection with the violation, in addition to all other rights and remedies available under this Agreement and federal, State and City conflict of interest laws.

10.2. Public Officer or Employee Economic Interests. The Parties are unaware of any financial or economic interest of any public officer or employee of City relating to this Agreement. The Manager Parties shall be subject to the provisions of City's Ethics Ordinance, including the prohibition against lobbying City for one (1) year following the expiration or termination of this Agreement. Manager shall establish, and make known to the Manager Parties, appropriate safeguards to prohibit them from using their positions for a purpose that is, or that gives the appearance of being, motivated by the desire for private gain for themselves or others, particularly those with whom they have family, business, or other relationships. The Manager Parties shall not recommend or specify any product, supplier, or contractor with whom they have a direct or indirect financial or organizational interest or relationship that would violate conflict of interest laws, regulations, or policies. If any Manager Party violates any conflict of interest law, or any of the provisions of this **EXHIBIT C**, Section 3, the violation shall be an Event of Default by Manager. Further, any such violation shall subject Manager to liability to City for Legal Costs and all damages sustained by City as a result of the violation.

1. **PREVAILING WAGES.** Manager and all Subcontractors shall comply with SDMC section 22.3019 requiring compliance with California Labor Code sections 1720 through 1861 (State prevailing wage law) for any and all construction work performed or funded pursuant to this Agreement cumulatively exceeding \$25,000 and for any and all alteration, demolition, repair and maintenance work performed or funded pursuant to this Agreement cumulatively exceeding \$15,000. Pursuant to San Diego Municipal Code section 22.3019, construction work performed or funded pursuant to this Agreement cumulatively exceeding \$25,000 and alteration, demolition, repair and maintenance work performed or funded pursuant to this Agreement cumulatively exceeding \$15,000 is subject to the State of California prevailing wage law set forth in California Labor Code sections 1720 through 1861 (“**Prevailing Wage Law**”) and in performing or funding any and all such work, Manager and its Subcontractors shall comply with Prevailing Wage Law, including the requirements set forth in this **EXHIBIT D**. This requirement to comply with Prevailing Wage Law is in addition to any requirement to pay “living wage” pursuant to San Diego Municipal Code sections 22.4201 through 22.4245 (“**LWO**”) or this Agreement. If both Prevailing Wage Law and the LWO are applicable to particular work, Manager and its Subcontractors must determine which per diem rate is highest for each classification of work between the applicable prevailing wage rate and living wage rate, and pay the higher of the two rates to their employees. The LWO may apply to work that is not subject to Prevailing Wage Law.

1.1. Notice to City. Manager shall Notify City whenever Manager or a Subcontractor intends to commence any activity that is subject to Prevailing Wage Law under this Agreement.

1.2. Compliance with Prevailing Wage Requirements. Manager shall deliver evidence of the required job site posting to City, within 5 calendar days after such posting.

1.2.2. *Wage Rate Effectiveness.* The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published wage rate shall be in effect for the Term of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the Term of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the Term of this Agreement, such wage rate shall apply to the balance of the Term of this Agreement.

1.3. Penalties for Violations. Manager and its Subcontractors shall comply with California Labor Code section 1775, if a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. Any requirement to submit certified payroll records to DIR shall include, without limitation, submitting certified payroll records to DIR through its online system for submission of certified payroll records, as required by DIR, and submitting certified payroll records to City through City's web-based Labor Compliance Program (described in this **EXHIBIT D**, Section 1.9). Further, Manager and its Subcontractors shall furnish the records specified in California Labor Code section 1776 directly to the Labor Commissioner in the manner required in California Labor Code section 1771.4. Manager is responsible for ensuring that its Subcontractors submit certified payroll records to City, the Labor Commissioner, and DIR.

1.5. Apprentices. Manager and its Subcontractors shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. In accordance with California Labor Code section 3700, Manager and its Subcontractors are required to secure the payment of compensation of their respective employees and by signing this Agreement or any subcontract, respectively, Manager and each of its Subcontractors certifies that “I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.” Manager shall include this certification by each Subcontractor in each contract with a Subcontractor.

1.9. Labor Compliance Program. City has its own Labor Compliance Program authorized in August 2011 by DIR. City will withhold payments to Manager when payroll records are delinquent or deemed inadequate by City or another governmental entity, or it has been established, after an investigation by City or another governmental entity, that underpayment(s) have occurred. In accordance with California Labor Code section 1771.1(a), “[i]t is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 2103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.”

1.10.1. *Inadvertent Error.* A contractor’s inadvertent error in listing a subcontractor who is not registered pursuant to California Labor Code section 1725.5 in a response to a solicitation shall not be grounds for filing a bid protest or grounds for considering the bid non-responsive, provided that any of the following apply: (1) the subcontractor is registered prior to bid opening; (2) within twenty-four hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in Labor Code section 1725.5; or (3) the subcontractor is replaced by another registered contractor pursuant to Public Contract Code section 4107.

1.10.2. *Cancellation.* A contract entered into with any contractor or subcontractor in violation of Labor Code section 1771.1(a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the

awarding body, contractor, or any subcontractor to comply with the requirements of California Labor Code section 1725.5.

1.10.3. *Registration Certification.* By entering into this Agreement, Manager certifies that: (a) Manager is registered with DIR in compliance with Labor Code sections 1771.1 and 1725.5 and shall provide proof of such registration to City; and (2) Manager and its Subcontractors have verified or will verify that all Subcontractors used on work subject to Prevailing Wage Law are registered with the DIR in compliance with Labor Code sections 1771.1 and 1725.5, and shall provide proof of such Subcontractor registration to City.
